

COVENTBRIDGE GROUP Healthcare Fraud Solutions

The most comprehensive, customizable, integrated platform consisting of a secure document repository, analytics engine, medical review system & configurable reporting

WE ARE THE GLOBAL LEADER IN FULL-SERVICE INVESTIGATIONS

CoventBridge Group has more than 25 years of experience in the identification, prevention and investigation of fraud, waste, and abuse across the healthcare, insurance, financial and government markets with a proven track record of implementing and managing the largest programs in the industry. CoventBridge is the partner of choice supporting:

- Centers for Medicare and Medicaid Services managing Program Integrity Contracts investigating Healthcare FWA since 1997
- First end-to-end healthcare FWA case management platform that integrates analytics, medical chart review, chart retrievals, document repository and customized reporting.

700 National licensed employee investigators, many of which are former OIG, DOJ, FBI, law enforcement, & military investigators

Our experience investigating & analytics are derived from fraud schemes detected in the US over the past 2 decades
